How To File A Claim

There's no paperwork to submit for Covered Services received from a Contracted Provider. Pay Your share of the cost, if any; Your provider will submit a claim to Us for reimbursement. Claims for services received from a Non-Contracted Provider can be submitted by the provider if the provider is able and willing to file on Your behalf. Your plan provides coverage for services received from a Non-Contracted Provider. For example, when Emergency Services are received from a Non-Contracted Provider, You should follow the claim submission instructions for those claims. Claims can be submitted by the provider if the provider is able and willing to file on Your behalf. If the provider is not submitting on Your behalf, You must send Your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim forms from the website listed on Your identification card, if You received one, or by calling Customer Services using the toll-free number listed below.

Cigna's Toll-Free Number(s):

1-(800) Cigna24 (1-800-244-6224)

CLAIM REMINDERS

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT/GROUP NUMBER WHEN YOU FILE CLAIM FORMS, OR WHEN YOU CALL OUR CLAIM OFFICE.

YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD. YOUR ACCOUNT/GROUP NUMBER IS SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.

- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO US.

Timely Filing Of Claims

We will consider claims for coverage under Your plan when proof of loss (a claim) is submitted to Us within:

- 12 months for both Contracted and Non-Contracted Provider claims

after services are rendered. If services are rendered on consecutive days, the limit will be counted from the last date of service. If claims are not submitted to Us within the timeframe shown above, the claim will not be considered valid and will be denied, unless the claimant does not have the legal capacity to provide proof of loss, and proof of loss is provided not later than the first anniversary of the date the proof of loss is otherwise required.

NOTE: We consider one month to equal 30 days regardless of the number of days within a Calendar month.

WARNING: Any person who knowingly and with intent to defraud any insurance company or other person: files an application for insurance or statement of claim containing any materially false information; or conceals for the purpose of misleading, information concerning any material fact thereto, commits a fraudulent insurance act.

Eligibility - Effective Date

Eligible Classes

Each Employee as reported to Us by The Policyholder.

Your Insurance

This plan is offered to You as an Employee of the Policyholder.

Eligibility for Dental Insurance

You will become eligible for insurance on the day You complete the Eligibility Waiting Period, if any, and:

- You are an eligible Full-Time Employee;
- You normally work at least 30 hours a week; and
- You pay any required contribution.

Eligibility Waiting Period – New Hire

Initial Group:

You are in the Initial Group of Employees if You are:

- employed in a class of Employees on the date that class of Employees becomes a Class of Eligible Employees as determined by Your Employer.

- in the employ of an Employer on the Participation Date of the Employer.

Your Waiting Period is:

- None, coverage effective on date of hire.

New Group:

You are in a New Group of Employees if You are:

- not in the Initial Group, or
- Your employment with an Employer starts after the Effective Date of that Employer's Policy.

Your Waiting Period is:

- 90 days after date of hire.

If You were previously insured and Your insurance ceased, You must satisfy the New Employee Eligibility Waiting Period to become insured again.

If Your insurance ceased because You were no longer employed in a Class of Eligible Employees, You are not required to satisfy any Eligibility Waiting Period if You again become a member of a Class of Eligible Employees within 365 days after Your insurance ceased.

Effective Date of Your Insurance

Subject to any Eligibility Waiting Period, You will become insured on:

- the date that:
 - You are in Active Service and You elect the insurance by:
 - authorizing premium payment,
 - approving a payroll deduction,
 - signing a written agreement with the Policyholder to make the required contribution, or
 - signing an enrollment form, as applicable,
- but no earlier than the date You become eligible.

You will become insured on Your first day of eligibility, following Your election, if You are in Active Service on that date, or if You are not in Active Service on that date due to Your health status.

Dependent Insurance

For Your Dependents to be insured under the Policy, You must elect the Dependent insurance for Yourself no later than 30 days after You become eligible. For Your Dependents to be insured, You will have to pay the required contribution, if any, toward the cost of Dependent Insurance.

Eligibility for Dependent Insurance:

Your Dependent will become eligible for Dependent insurance on the later of:

- the day You meet the eligibility requirements noted above; or

- the day You acquire Your first Dependent.

Effective Date of Dependent Insurance

Insurance for Your Dependents will become effective on the date You elect it, by signing a written agreement with the Policyholder to make the required contribution, but no earlier than the day You become eligible for Dependent Insurance. All of Your Dependents as defined will be included.

Your Dependents will be insured only if You are insured.

Eligibility for Coverage for Adopted Children

Any child who is adopted by You, including a child who is placed with You for adoption, will be eligible for Dependent coverage, if otherwise eligible as a Dependent, upon the date of placement with You. A child will also be eligible on the date the child is the subject of a suit for which the insured seeks to adopt the child. A child will be considered placed for adoption when You become legally obligated to support that child, totally or partially prior to that child's adoption. If a child placed for adoption is not adopted, all dental coverage ceases when the placement ends, and will not be continued. The provisions in the Exception for Newborns provision that describe requirements for enrollment and Effective Date of insurance will also apply to an adopted child or a child placed with You for adoption.

Exception for Newborns

Any Dependent child born while You are insured will become insured on the date of the child's birth if You elect Dependent Insurance no later than 31 days after birth. If You do not elect to insure Your newborn child within such 31 days, coverage for that child will end on the 31st day. No benefits for expenses incurred beyond the 31st day will be payable.

Dual Eligibility

If both You and Your Spouse or Your Domestic Partner are in an Eligible Class of the Employer, You may each enroll individually or as a Dependent of the other, but not as both. Any eligible Dependent child may also be enrolled by either You or Your Spouse or Your Domestic Partner. If the Spouse or Your Domestic Partner who enrolls for Dependent coverage ceases to be eligible, notify Your Plan Administrator immediately for coverage to continue under the plan of the other Spouse or Domestic Partner.

Late Entrant Limit

Coverage for Late Entrants:

- Class I and Class II services are paid at the amounts set forth in The Schedule.

After a person has been continuously insured for 12 months, this limit no longer applies.

Covered Dental Expenses

Dental services described in this section are Covered Dental Expenses when such services are:

- Medically Necessary and/or Dentally Necessary (refer to the Section entitled Definitions);
- Provided by or under the direction of a Dentist or other appropriate Provider as specifically described;
- The least costly, clinically accepted treatment; Covered after Your Deductible, if any, has been met;
- Eligible for reimbursement because the maximum benefit in The Schedule has not been exceeded;
- The charge does not exceed the amount allowed under the Alternate Benefit Provision;
- Not excluded as described in the Section entitled General Limitations and Expenses Not Covered.

Alternate Benefit Provision

If more than one Covered Service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, Medically Necessary and/or Dentally Necessary, and appropriate treatment.

If the Covered Person requests or accepts a more costly Covered Service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, We recommend Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required. The treatment plan should include existing supporting pre-operative x-rays and other existing diagnostic materials as requested by Our dental consultant. If there is a change in the treatment plan, a revised plan should be submitted. We will determine Covered Dental Expenses for the proposed treatment plan. If there is no Predetermination of Benefits, We will determine Covered Dental Expenses when We receive a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200. Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

The Schedule lists Covered Services, if a service is not listed there is no coverage.

HCDFB-COV15

01-19

Payment Options

If You or any one of Your Dependents, while insured for these benefits, incurs Covered Dental Expenses, We will pay an amount determined as follows:

Dental Choice - Contracted and Non-Contracted Provider Payment

Plan payment for a Covered Service delivered by a Contracted Provider is the Contracted Fee for that procedure, times the benefit percentage that applies to the class of service, as specified in The Schedule. The Covered Person is responsible for the balance of the Contracted Fee. Plan payment for a Covered Service delivered by a Non-Contracted Provider is the Maximum Allowable Charge for that procedure times the benefit percentage that applies to the class of service, as specified in The Schedule. The Covered Person is responsible for the balance of the Non-Contracted Provider's actual charge.

V1

Missing Teeth Limitation

The amount payable for the replacement of teeth that are missing when a person first becomes insured is 50% of the amount payable for the replacement of teeth that are extracted after a person has dental coverage.

This payment limitation no longer applies after 12 months of continuous coverage.

This limit will not apply to any person who is a member of the Initial Employee group.

Cigna Dental Choice Insurance

The Schedule

Benefits For You and Your Dependents

The Dental Benefits Plan offered by Your Employer includes Contracted and Non-Contracted Providers. If You select a Contracted Provider, Your cost will be less than if You select a Non-Contracted Provider.

The Benefit Percentage payable for Emergency Services charges made by a Non-Contracted Provider is the same Benefit Percentage as for Contracted Provider Charges.

Contracted Provider Payment

Contracted Provider services are paid based on the Contracted Fee that is agreed to by the provider and Us. Based on the provider's Contracted Fee, a higher level of plan payment may be made to a Contracted Provider resulting in a lower payment responsibility for You. To determine how Your Contracted Provider compares, refer to Your provider directory.

Provider information may change annually; refer to Your provider directory prior to receiving a service. You have access to a list of all providers who participate in the network by visiting www.mycigna.com.

Non-Contracted Provider Payment

The Primary Schedule is usually the fee schedule with the lowest Contracted-Fees available for acceptance by a Participating Provider in the relevant 3-digit zip code.

Coordination Of This Contract's Benefits With Other Benefits

The Coordination of Benefits (COB) provision applies when a person has health care coverage under more than one plan. Plan is defined below.

The order of benefit determination rules govern the order in which each plan will pay a claim for benefits. The plan that pays first is called the primary plan. The primary plan must pay benefits in accord with its policy terms without regard to the possibility that another plan may cover some expenses.

The plan that pays after the primary plan is the secondary plan. The secondary plan may reduce the benefits it pays so that payments from all plans equal 100 percent of the total allowable expense.

DEFINITIONS

(a) A “plan” is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for Members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

(1) Plan includes: group, blanket, or franchise accident and health insurance policies, excluding disability income protection coverage; individual and group health maintenance organization evidences of coverage; individual accident and health insurance policies; individual and group preferred provider benefit plans and exclusive provider benefit plans; group insurance contracts, individual insurance contracts and subscriber contracts that pay or reimburse for the cost of dental care; medical care components of individual and group long-term care contracts; limited benefit coverage that is not issued to supplement individual or group in-force policies; uninsured arrangements of group or group-type coverage; the medical benefits coverage in automobile insurance contracts; and Medicare or other governmental benefits, as permitted by law.

(2) Plan does not include: disability income protection coverage; the Texas Health Insurance Pool; workers’ compensation insurance coverage; hospital confinement indemnity coverage or other fixed indemnity coverage; specified disease coverage; supplemental benefit coverage; accident only coverage; specified accident coverage; school accident-type coverages that cover students for accidents only, including athletic injuries, either on a “24-hour” or a “to and from school” basis; benefits provided in long-term care insurance contracts for non-medical services, for example, personal care, adult day care, homemaker services, assistance with activities of daily living, respite care, and custodial care or for contracts that pay a fixed daily benefit without regard to expenses incurred or the receipt of services; Medicare supplement policies; a state plan under Medicaid; a governmental plan that, by law, provides benefits that are in excess of those of any private insurance plan; or other non-governmental plan; or an individual accident and health insurance policy that is designed to fully integrate with other policies through a variable Deductible.

Each contract for coverage under (a) (1) or (a) (2) is a separate plan. If a plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate plan.

(b) “This plan” means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with like benefits, and may apply other separate COB provisions to coordinate other benefits.

The order of benefit determination rules determine whether this plan is a primary plan or secondary plan when the person has health care coverage under more than one plan. When this plan is primary, it determines payment for its benefits first before those of any other plan without considering any other plan’s benefits. When this plan is secondary, it determines its benefits after those of another plan and may reduce the benefits it pays so that all plan benefits equal 100 percent of the total allowable expense.

(c) “Allowable expense” is a health care expense, including Deductibles, Coinsurance, and Copayments, that is covered at least in part by any plan covering the person. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid. An expense that

is not covered by any plan covering the person is not an allowable expense. In addition, any expense that a health care provider or physician by law or in accord with a contractual agreement is prohibited from charging a Covered Person is not an allowable expense.

The following are examples of expenses that are not allowable expenses:

- (1) The difference between the cost of a semi-private hospital room and a private hospital room is not an allowable expense, unless one of the plans provides coverage for private hospital room expenses.
- (2) If a person is covered by two or more plans that do not have negotiated fees and compute their benefit payments based on the usual and customary fees, allowed amounts, or relative value schedule reimbursement methodology, or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an allowable expense.
- (3) If a person is covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an allowable expense.
- (4) If a person is covered by one plan that does not have negotiated fees and that calculates its benefits or services based on usual and customary fees, allowed amounts, relative value schedule reimbursement methodology, or other similar reimbursement methodology, and another plan that provides its benefits or services based on negotiated fees, the primary plan's payment arrangement must be the allowable expense for all plans. However, if the health care provider or physician has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary plan's payment arrangement and if the health care provider's or physician's contract permits, the negotiated fee or payment must be the allowable expense used by the secondary plan to determine its benefits.
- (5) The amount of any benefit reduction by the primary plan because a Covered Person has failed to comply with the plan provisions is not an allowable expense. Examples of these types of plan provisions include second surgical opinions, prior authorization of admissions, and preferred health care provider and physician arrangements.
- (d) "Allowed amount" is the amount of a billed charge that a carrier determines to be covered for services provided by a non-preferred health care provider or physician. The allowed amount includes both the carrier's payment and

any applicable Deductible, Copayment, or Coinsurance amounts for which the insured is responsible.

- (e) "Closed panel plan" is a plan that provides health care benefits to covered persons primarily in the form of services through a panel of health care providers and physicians that have contracted with or are employed by the plan, and that excludes coverage for services provided by other health care providers and physicians, except in cases of emergency or referral by a panel Member.
- (f) "Custodial parent" is the parent with the right to designate the primary residence of a child by a court order under the Texas Family Code or other applicable law, or in the absence of a court order, is the parent with whom the child resides more than one-half of the Calendar Year, excluding any temporary visitation.

ORDER OF BENEFIT DETERMINATION RULES

When a person is covered by two or more plans, the rules for determining the order of benefit payments are as follows:

- (a) The primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other plan.
- (b) Except as provided in (c), a plan that does not contain a COB provision that is consistent with this policy is always primary unless the provisions of both plans state that the complying plan is primary.
- (c) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage must be excess to any other parts of the plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a closed panel plan to provide out-of-network benefits.
- (d) A plan may consider the benefits paid or provided by another plan in calculating payment of its benefits only when it is secondary to that other plan.
- (e) If the primary plan is a closed panel plan and the secondary plan is not, the secondary plan must pay or provide benefits as if it were the primary plan when a Covered Person uses a non-contracted health care provider or physician, except for Emergency Services or authorized referrals that are paid or provided by the primary plan.
- (f) When multiple contracts providing coordinated coverage are treated as a single plan under this subchapter, this section applies only to the plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one carrier

pays or provides benefits under the plan, the carrier designated as primary within the plan must be responsible for the plan's compliance with this subchapter.

(g) If a person is covered by more than one secondary plan, the order of benefit determination rules of this subchapter decide the order in which secondary plans' benefits are determined in relation to each other. Each secondary plan must take into consideration the benefits of the primary plan or plans and the benefits of any other plan that, under the rules of this contract, has its benefits determined before those of that secondary plan.

(h) Each plan determines its order of benefits using the first of the following rules that apply.

(1) Non-Dependent or Dependent. The plan that covers the person other than as a Dependent, for example as an Employee, Member, Policyholder, subscriber, or Retiree, is the primary plan, and the plan that covers the person as a Dependent is the secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a Dependent and primary to the plan covering the person as other than a Dependent, then the order of benefits between the two plans is reversed so that the plan covering the person as an Employee, Member, Policyholder, subscriber, or Retiree is the secondary plan and the other plan is the primary plan. An example includes a retired Employee.

(2) Dependent Child Covered Under More Than One Plan. Unless there is a court order stating otherwise, plans covering a Dependent child must determine the order of benefits using the following rules that apply.

(A) For a Dependent child whose parents are married or are living together, whether or not they have ever been married:

(i) The plan of the parent whose birthday falls earlier in the Calendar Year is the primary plan; or

(ii) If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.

(B) For a Dependent child whose parents are divorced, separated, or not living together, whether or not they have ever been married:

(i) if a court order states that one of the parents is responsible for the Dependent child's health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. This rule applies to plan years

commencing after the plan is given notice of the court decree.

(ii) if a court order states that both parents are responsible for the Dependent child's health care expenses or health care coverage, the provisions of (h)(2)(A) must determine the order of benefits.

(iii) if a court order states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent child, the provisions of (h)(2)(A) must determine the order of benefits.

(iv) if there is no court order allocating responsibility for the Dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

(I) the plan covering the custodial parent;

(II) the plan covering the spouse of the custodial parent;

(III) the plan covering the non-custodial parent; then

(IV) the plan covering the spouse of the non-custodial parent.

(C) For a Dependent child covered under more than one plan of individuals who are not the parents of the child, the provisions of (h)(2)(A) or (h)(2)(B) must determine the order of benefits as if those individuals were the parents of the child.

(D) For a Dependent child who has coverage under either or both parents' plans and has his or her own coverage as a Dependent under a spouse's plan, (h)(5) applies.

(E) In the event the Dependent child's coverage under the spouse's plan began on the same date as the Dependent child's coverage under either or both parents' plans, the order of benefits must be determined by applying the birthday rule in (h)(2)(A) to the Dependent child's parent(s) and the Dependent's spouse.

(3) Active, Retired, or Laid-off Employee. The plan that covers a person as an active Employee, that is, an Employee who is neither laid off nor retired, is the primary plan. The plan that covers that same person as a retired or laid-off Employee is the secondary plan. The same would hold true if a person is a Dependent of an active Employee and that same person is a Dependent of a retired or laid-off Employee. If the plan that covers the same person as

a retired or laid-off Employee or as a Dependent of a retired or laid-off Employee does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.

- (4) **COBRA or State Continuation Coverage.** If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another plan, the plan covering the person as an Employee, Member, subscriber, or Retiree or covering the person as a Dependent of an Employee, Member, subscriber, or Retiree is the primary plan, and the COBRA, state, or other federal continuation coverage is the secondary plan. If the other plan does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.
- (5) **Longer or Shorter Length of Coverage.** The plan that has covered the person as an Employee, Member, Policyholder, subscriber, or Retiree longer is the primary plan, and the plan that has covered the person the shorter period is the secondary plan.
- (6) If the preceding rules do not determine the order of benefits, the allowable expenses must be shared equally between the plans meeting the definition of plan. In addition, this plan will not pay more than it would have paid had it been the primary plan.

EFFECT ON THE BENEFITS OF THIS PLAN

- (a) When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all plans are not more than the total allowable expenses. In determining the amount to be paid for any claim, the secondary plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any allowable expense under its plan that is unpaid by the primary plan. The secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal 100 percent of the total allowable expense for that claim. In addition, the secondary plan must credit to its plan Deductible any amounts it would have credited to its Deductible in the absence of other health care coverage.
- (b) If a Covered Person is enrolled in two or more closed panel plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one closed panel plan, COB must not apply between that plan and other closed panel plans.

COMPLIANCE WITH FEDERAL AND STATE LAWS CONCERNING CONFIDENTIAL INFORMATION

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this plan and other plans. Cigna will comply with federal and state law concerning confidential information for the purpose of applying these rules and determining benefits payable under this plan and other plans covering the person claiming benefits. Each person claiming benefits under this plan must give Cigna any facts it needs to apply those rules and determine benefits.

FACILITY OF PAYMENT

A payment made under another plan may include an amount that should have been paid under this plan. If it does Cigna may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under this plan. Cigna will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by Cigna is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid or any other person or organization that may be responsible for the benefits or services provided for the Covered Person. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

- Expenses incurred by You or Your Dependent(s) (hereinafter individually and collectively referred to as a "Participant,") for which a party may be responsible as a result of having caused or contributed to an Injury or Sickness, except for expenses relating to other benefits plans that provide insurance coverage for the Participant (excluding Part B of Medicare).
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any (a) automobile medical, automobile no-fault, uninsured or

underinsured motorist insurance, or (b) homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage.

Right of Reimbursement

If a Covered Person incurs expenses for Covered Services for which another party may be responsible or for which the Covered Person may receive payment as described above, We will be granted a right of reimbursement, to the extent of the benefits provided by Us, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

Lien of the Plan

By accepting benefits under this plan, a Covered Person:

- grants a lien and assigns to Us an amount equal to the benefits paid under this plan against any recovery made by or on behalf of the Covered Person which is binding on any attorney or other party who represents the Covered Person whether or not an agent of the Covered Person or of any insurance company or other financially responsible party against whom a Covered Person may have a claim provided said attorney, insurance carrier or other party has been notified by Us or Our agents;
- agrees that this lien shall constitute a charge against the proceeds of any recovery and We shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for Our benefit to the extent of any payment made by Us.

Additional Terms

- No adult Covered Person may assign any rights that he may have to recover dental expenses from any third party or other person or entity to any Dependent child without Our prior express written consent. Our right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Covered Person shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- Our right of recovery shall be a prior lien against any proceeds recovered by the Covered Person. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat Our recovery rights by allocating the proceeds exclusively to non-dental expense damages.
- No Covered Person shall incur any expenses on behalf of the plan in pursuit of the plan's rights. Specifically; no court costs, attorneys' fees, or other representatives' fees may be deducted from the plan's recovery without Our prior express written consent. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".

- We shall recover the full amount of benefits provided under the plan without regard to any claim of fault on the part of any Covered Person, whether under comparative negligence or otherwise.
- We hereby disavow all equitable defenses in the pursuit of Our right of recovery. Our recovery rights are neither affected nor diminished by equitable defenses.
- In the event that a Covered Person fails or refuses to honor his obligations under the plan. We shall be entitled to recover any costs incurred in enforcing the terms of the Policy including, but not limited to, attorney's fees, litigation, court costs, and other expenses. We shall also be entitled to offset the reimbursement obligation against any entitlement to future dental benefits under the Covered Person has fully complied with his reimbursement obligations, regardless of how those future dental benefits are incurred.
- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Covered Person agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, We shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.
- Covered Persons must assist Us in pursuing any recovery rights by providing requested information.

Payment of Benefits

Assignment and Payment of Benefits

You may not assign to another individual, Your right to payment of benefits under this plan, nor may You assign any administrative, statutory, or legal rights or causes of action you may have under ERISA, including, but not limited to, any right to make a claim for plan benefits, to request plan or other documents, to file appeals of denied claims or grievances, or to file lawsuits under ERISA. Any attempt to assign such rights shall be void and unenforceable under all circumstances.

You may, however, authorize Cigna to pay any healthcare benefits under this policy to a Contracted or Non-Contracted Provider. When You authorize the payment of Your healthcare benefits to a Contracted or Non-Contracted Provider, You authorize the payment of the entire amount of the benefits due on that claim. If a provider is overpaid because of accepting

duplicate payments from You and Cigna, it is the provider's responsibility to reimburse the overpayment to You. Cigna may pay all healthcare benefits for Covered Services directly to a Contracted Provider without Your authorization. You may not interpret or rely upon this discrete authorization or permission to pay any healthcare benefits to a Contracted or Non-Contracted Provider as the authority to assign any other rights under this policy to any party, including, but not limited to, a provider of healthcare services/items.

When benefits are paid to You, You or Your Dependents are responsible for reimbursing the Non-Contracted Provider.

You may not interpret or rely upon this discrete authorization or permission to pay any healthcare benefits to a provider as the authority to assign any other rights under this policy to any party, including, but not limited to, a provider of healthcare services/items.

Initial Determination

A claim for dental benefits will be reviewed upon receipt. We will notify You of Our decision to approve or deny the claim within 30 days from the date You submitted the claim, unless an extension is required due to matters beyond Our control. Any extension will not be more than 15 days.

If We require an extension, You will be notified in writing before the end of the initial 30 day period. The notice of extension will explain the reasons for the extension and will state when a determination will be made. If an extension is required because We require additional information from You, the time from the date of Our notice requesting further information and the time We receive the necessary information does not count toward the time period We are allowed to notify You of the claim determination. You will have 45 days from the date you receive the request for additional information to provide the requested information.

Claim Denial

If Your claim is denied, in whole or in part, the notification of the claim decision will state the reason why Your claim was denied and reference the specific plan provisions upon which the denial is based. If the claim is denied because more information is needed from You, the claims decision will describe the additional information needed and why such information is needed. If We relied on an internal rule or other criterion when denying the claim, the claim decision will include the rule or other criteria or will indicate that such rule or criteria was relied upon and You may request a copy free of charge.

To Whom Payable

Dental benefits are assignable to the provider. When You assign benefits to a provider, You have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the

patient. Because of Our contracts with providers, all claims from contracted providers should be assigned.

When benefits are paid to You or Your Dependent(s). You or Your Dependent(s) are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, We will make payment to the person or institution appearing to have assumed his custody and support.

In the event of the death of a Covered Person, We may receive notice that an executor of the estate has been established. The executor has the same rights as the Covered Person and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Us from all liability to the extent of any payment made.

Recovery of Overpayment

When We have made an overpayment, We will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment. In addition, Your acceptance of benefits under this Policy and/or assignment of Dental Benefits separately creates an equitable lien by agreement pursuant to which We may seek recovery of any overpayment. You agree that in seeking recovery of any overpayment as a contractual right or as an equitable line by agreement, We may pursue the general assets of the person or entity to whom or on whose behalf the overpayment was made.

The Following Will Apply To Residents Of Texas When You Have A Complaint Or An Adverse Determination Appeal

For the purposes of this section, any reference to "You," "Your" or "Employee" also refers to a representative or provider designated by You to act on Your behalf, unless otherwise noted.

We want You to be completely satisfied with the care You receive. That is why We have established a process for addressing Your concerns and solving Your problems.

When You Have a Complaint

We are here to listen and help. If You have a complaint regarding a person, a service, the quality of care, or contractual benefits not related to dental necessity, You can call Our toll-free number on Your ID card explanation of benefits, or claim form and explain Your concern to one of Our Customer Service representatives. A complaint does not include: a misunderstanding or problem of misinformation that can be promptly resolved by Us by clearing up the misunderstanding or supplying the correct information to Your satisfaction; or You or Your provider's dissatisfaction or disagreement with an adverse determination. You can also express that complaint in writing.

We will do Our best to resolve the matter on Your initial contact. If We need more time to review or investigate Your complaint, We will send You a letter acknowledging the date on which We received Your complaint no later than the fifth working day after We receive Your complaint. We will respond in writing with a decision 30 calendar days after We receive a complaint for a post service coverage determination. If more time or information is needed to make the

determination, We will notify You in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

If You are not satisfied with the results of a coverage decision, You can start the complaint appeals procedure.

Complaint Appeals Procedure

To initiate an appeal of a complaint resolution decision, You must submit a request for an appeal in writing. You should state the reason why You feel Your appeal should be approved and include any information supporting Your appeal. If You are unable or choose not to write, You may ask to register Your appeal by telephone. Call or write to us at the toll-free number or address on Your Benefit Identification card, explanation of benefits or claim form.

Your complaint appeal request will be conducted by the Complaint Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. You may present Your situation to the Committee by conference call.

We will acknowledge in writing that We have received Your request within five working days after the date We receive Your request for a Committee review and schedule a Committee review. The Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, We will notify You in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

When You have an Adverse Determination Appeal

An Adverse Determination is a decision made by Us that the health care service(s) furnished or proposed to be furnished to You is (are) not Medically Necessary and/or Dentally Necessary or clinically appropriate. An Adverse Determination also includes a denial by Us of a request to cover a specific prescription drug prescribed by Your Dentist. If You are not satisfied with the Adverse Determination, You may appeal the Adverse Determination orally or in writing. You should state the reason why You feel Your appeal should be approved and include any information supporting Your appeal. We will acknowledge the appeal in writing within five working days after We receive the Adverse Determination Appeal request.

Your appeal of an Adverse Determination will be reviewed and the decision made by a health care professional not involved in the initial decision. We will respond in writing with a decision within 30 calendar days after receiving the Adverse Determination Appeal request.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize Your life or health or would jeopardize Your ability to regain the dental functionality that existed prior to the onset of Your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, but will not exceed one working day from the date all information necessary to complete the appeal is received, followed up in writing.

Retrospective Review Requirements

Notice of adverse determinations (denials only) of retrospective reviews must be made in writing to the patient within a reasonable period, not to exceed 30 days from the date of receipt.

The term retrospective review is a system in which review of the dental necessity and appropriateness of health care services provided to an enrollee is performed for the first time subsequent to the completion of such health care services. Retrospective review does not include subsequent review of services for which prospective or concurrent reviews for dental necessity and appropriateness were previously conducted.

Independent Review Procedure

If You are not fully satisfied with the decision of Our Adverse Determination appeal process or if You feel Your condition is life-threatening, You may request that Your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Us or any of Our affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for You to initiate this independent review process and the decision to use the process is voluntary. We will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a dental necessity or clinical appropriateness determination by Us. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process. You will receive detailed information on how to request an Independent Review and the required forms You will need to complete with every Adverse Determination notice.

The Independent Review Program is a voluntary program arranged by Us.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law),

or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED93

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures under ERISA Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under

the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled "Secondary Qualifying Events" and "Medicare Extension For Your Dependents" are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s)

may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for "Termination of COBRA Continuation" listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must

provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first

payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation

(e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

You may contact the Plan Administrator to determine whether the Plan is maintained pursuant to one or more collective bargaining agreements and if a particular Employer is a sponsor. A copy is available for examination from the Plan Administrator upon written request.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it.

Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

- receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this

statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
