Welcome to Cleo Considering, your new support system.

Deciding to start or grow a family can be daunting. Some common challenges include not knowing what to expect or how to prepare yourself or whether the time is right.

Cleo Considering supports you with planning, surrogacy, adoption, actively trying to conceive, understanding a medical diagnosis, navigating the fertility process, and more.

Evidence-Based

Cleo helps you separate myth from fact, allowing you to avoid the noise and overwhelm of information out there.

Cleo Just for You

Personalized content and one-on-one specialist sessions tailored to your needs.

Emotional Support

Cleo matches you with a real person, your Guide, to support you and your family along the way.
